**You are redefining mentorship again and again** - from words to wisdom, from lessons to light, from shaping minds to holding hearts. In your presence, authority fades into understanding, and guidance becomes care wrapped in patience and compassion. What you give us is not just knowledge, but belief when we doubt ourselves, strength when we feel unsure, and a quiet reassurance that stays with us always. Eternally thankful, sir.

As my preparation progressed, I joined this program and honestly speaking, it stands out as one of the best in the market. **What truly is best about this programme is the mentorship component**—Our mentor has been consistently available throughout—whether it's doubts, strategy, stress, or guidance. Ma'am is there with us as a constant support - (jo hm hmesha feel krte hai ke koi ho jo hmme shai direction show kre)  
The biggest strength of the **MAD Programme** is the genuine handholding throughout the preparation phase—something most platforms claim, but very few actually deliver. Thanku to the entire Understand UPSC team.

**M MASOOM RAZA**

I'm Masoom Raza from T-Batch 9, and I've been following the TRANSFORM batch from the beginning. The journey has had a positive impact—especially the "Read with Me" sessions, daily MCQs, weekly tests, and answer writing, all of which have improved my conceptual clarity and structure.

However, as this is my first reading, it takes me more time (often over 8 hours), and with optional, newspapers, and revision, it adds up to 14+ hours a day—hard to sustain consistently. That's why I'm struggling with backlogs in MCQs, AW, and evaluations, though I always complete the reading. The peer pressure and grading system do feel mentally heavy at times.

If possible, reducing targets a bit and adding more short lectures like "Read with Me" could help a lot. Satyam Sir, I truly admire all you do—free resources, structured targets, lectures, MCQs, AW, mentorship, and more. You've created such a beautiful, supportive environment, and for that, I'll always be grateful—no matter the outcome.

My basics are weak due to limited schooling, so I struggle with pace—but I'm not giving up. I've consistently scored 40+ in weekly tests, and I promise to be fully accountable from July 1. Thank you from the bottom of my heart, sir.

**K KUDRAT**

Thanks Alot Ma'am for hearing patiently and resolving each and every doubt. I really appreciate your positive attitude towards everything.. 😊 **I feel blessed to have you as Mentor..** Your solutions and assurance work the most 🙏

Sometimes preparation is also about going towards the right direction, and I look forward to your messages and the voice notes every morning. Even when I am not doing good, it instills a different confidence of being able to do it. **At a time where the word mentor is just used as a label elsewhere and coachings are simple MENTORWASHING (if that is a word), you have given a meaning.** Your advice has been goldust to me. **D DEBASREE CHOWDHURY**

This is Debasree Chowdhury (Transform Group - 12), my review regarding this initiative - I have been preparing for UPSC from 2021 and I do not have that financial capacity to take coaching or reside in Delhi. So basically, what I experience in this journey that is - repeatedly I made plan but could not be able to complete every time, either for making wrong plans or no one there for my accountability and doubt solving. But in this group the best thing I feel that is - I don't even need to think that what should be read next, how that subject should be cover both for pre and mains perspective, how to get a **MENTOR whom I can ask any doubt during preparation** and when I will do answer writing and mcqs practice, who will check my copy and even how I am able to see the competition as I am far from Delhi. These all come with these initiatives and help me immensely in my preparation. I can now compare myself that in just 1 month I grow so much, write 17 ANSWERS in polity, do 1000 plus mcqs, in gov make notes as well within 1 month. THANK YOU FOR EVERYTHING SIR, and those who are in confusion to join or not kindly join this ASAP.

Conquer Mains has been a game-changer in my preparation. The Score Enhancers added immense value to my answers and played a crucial role in boosting my overall performance in the mains exam especially GS4 .Whatever content was not prepared by myself was done through Conquer short notes. Live answer writing breaks inertia and FLT really helped a lot. Current affairs video helped immensely. For Prelims, I focused on PYQs and watched the MAD series multiple times. I was also part of the High Rise Initiative, which I followed with complete dedication. It truly made a difference in my preparation.

I followed the conquer timeline fully. The model answers of the PYQs were easily replicable in exams. Economy content was gold with Committees, Bar-Graphs, Diagrams and Pie-chart. IR compilations of Harsh Pant, S. Jaishankar quotes were very handy to use across GS. Mains mock tests were very helpful as it was fully based on PYQ and hence helped me revise it. Sir is providing the content which is a consolidation of what an aspirant should do in 5-6 years and it's not easily available in the market. I have watched all the MAD series and understood clear patterns to crack the exam. I highly recommend taking Satyam Sir's guidance to understand what is required to decode this exam. I got in touch with sir when I was writing 2023 Mains and I was so inspired to see that Sir was also appearing for Mains and even then he was managing and teaching us. I attended all the sessions daily- be it answer writing, doubt sessions or even helping us to overcome self doubts and boosting our confidence. Then sir came as a guiding light. Then it was a constant journey- I was part of YPLP, Conquer and Antim Pag. I was fully dependent on Conquer notes for Ethics. By getting associated with UnderStand UPSC, all my myths were broken. I followed each and everything as sir told and trusted him blindly. I did all PYQ analysis, attended all answer writing sessions, I didn't miss even a single target. Earlier, I used to find Ethics very tough because it is completely different from the other three GS papers. I had no idea what exactly needed to be done in it. But the 3-4 sessions you took, along with the notes we made during them (which I still have), really helped me understand. That's when I realized, oh, this is what Ethics actually is-because no one really explains it this way. I have been part of Conquer, Antim Pag and it helped me so much. I used to write a diary daily and I have mentioned in it as well that I have joined a very promising course by Satyam Jain Sir. Sir is a very genuine person and he really wants to help the aspirant community. I have been following sir for this exam cycle and his feedback for the interview helped me and gave me confidence. I really thank sir for being a very strong pillar in my journey.

"If you weren't there, it would be nearly impossible for me to clear the UPSC. During the 2023 mains, I had a lot of fear and anxiety. Mock test prices at other institutes were very high. Then, a friend told me about Satyam Sir. After attending just one session, I decided-I'll stay here only."
