I had Satyam Sir as mentor, who played a significant role in my preparation. He was a great support throughout the journey. Specifically for Ethics, I referred to the notes uploaded by him, and they were incredibly helpful. Even last year, I managed to score well in Ethics, and his resources definitely contributed to that.

Conquer Mains has been a game-changer in my preparation. The Score Enhancers added immense value to my answers and played a crucial role in boosting my overall performance in the mains exam especially GS4 .Whatever content was not prepared by myself was done through Conquer short notes. Live answer writing breaks inertia and FLT really helped a lot. Current affairs video helped immensely. For Prelims, I focused on PYQs and watched the MAD series multiple times. I was also part of the High Rise Initiative, which I followed with complete dedication. It truly made a difference in my preparation.

**Mudita Bansal**

Conquer Mains 2024, Antim Pag  
IGP 2024, HYRise Prelims 2024  
YPLP 2024

I followed the conquer timeline fully. The model answers of the PYQs were easily replicable in exams. Economy content was gold with Committees, Bar-Graphs, Diagrams and Pie-chart. IR compilations of Harsh Pant, S. Jaishankar quotes were very handy to use across GS. Mains mock tests were very helpful as it was fully based on PYQ and hence helped me revise it. Sir is providing the content which is a consolidation of what an aspirant should do in 5–6 years and it's not easily available in the market. I have watched all the MAD series and understood clear patterns to crack the exam. I highly recommend taking Satyam Sir's guidance to understand what is required to decode this exam. He is really an amazing mentor one can have.

This was only possible because of the MAD series. I followed the US at every stage of the preparation. I followed the Mains Program and was able to score 125 marks in the Ethics Paper and it was possible only because of the answer writing program.

I was able to crack the prelims just because of UnderStand UPSC. MAD series is the one that has revolutionized my whole preparation because I knew I needed to change my approach for attempting the exam but didn't know how to do it. Then sir came as a guiding light. Then it was a constant journey- I was part of YPLP, Conquer and Antim Pag. I was fully dependent on Conquer notes for Ethics. Live answer writing was very helpful in building confidence and brain storming. For Ethics I revised the model answers multiple times and prepared my short notes from them. The answers were made with a lot of effort. My success in this exam is solely because of sir.
